

The value of clay

online training course

Dates: 6th Feb 2024 and 23rd May 2024 **Time:** 4pm - 5pm **Venue:** Online (Zoom)

Target audience: EYFS and Key Stage 1 Practitioners

Brief course content:

- Discussion about what clay offers young children as a source of development, self-expression, imagination and skill learning.
- Exploring ways of introducing clay to young children in your setting, beginning with exploration of the material, then moving on to developing techniques.

Learning outcomes:

- Understand the impact and benefit of using clay for children's all-round development and how this links specifically to many areas of learning.
- Gain confidence in setting up a clay workshop/station in your own learning environment and learn about skills and techniques fundamental to working with clay.

Tickets are FREE, so book your space now!
