

It was amazing to experience clay so naturally. I felt truly valued and was able to be expressive. I've learnt how easy it would be to implement in our setting.

Fantastic courses, great to hear examples of theory in practice, and how children respond. Wonderful knowledgeable practitioners. Thank you.

Useful tips and creative ways to exploring clay, which has given me more confidence teaching with it. Thank you!

The course inspired me to be braver with clay.

A very insightful course with many hints and tips on how to successfully set up a clay station in an early years setting and how to show progression.

Easy to follow courses for all levels of educators. Concise, to the point and full of examples to get you started.

Amazing course, hands on and relaxed. Delivered with confidence and super knowledge. Very excited to try out clay play with the children.

The course was very interesting but was also short enough to fit into your busy day.

Amazing opportunity for open ended clay exploration in an early years setting, every creation made by children is beautiful in each and every way.
